

Built to Last

Building and growing open source communities

[Kay Williams](#), Open Source Strategy, Azure Office of the CTO, Microsoft

17 July, 2019

A photograph of a wooden block tower structure, resembling a castle or city skyline, built from light-colored wooden blocks. The structure features several towers of varying heights, some with arched openings, and a central tower with a pointed roof. The background is a plain, light-colored surface.

Open source is the future for
modern software development.

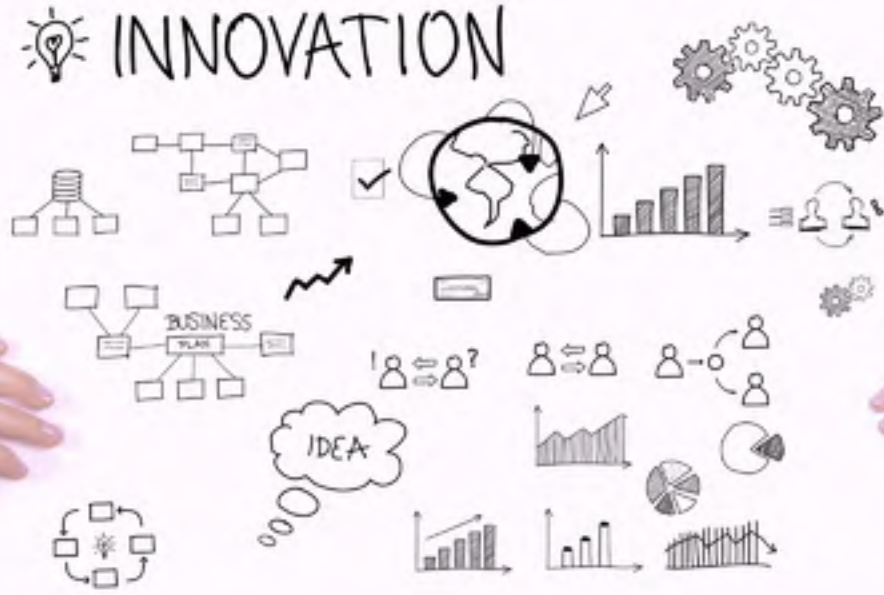

Meet Customers Where They Are

A photograph of two people in a modern office setting. On the left, a person with dark hair wearing a black cap and a plaid shirt is looking at a large white computer monitor. On the right, a woman with long brown hair and glasses is smiling and looking towards the person at the monitor. The background features a whiteboard with various notes and diagrams. The overall atmosphere is professional and collaborative.

Happy and Productive Developers

💡 INNOVATION

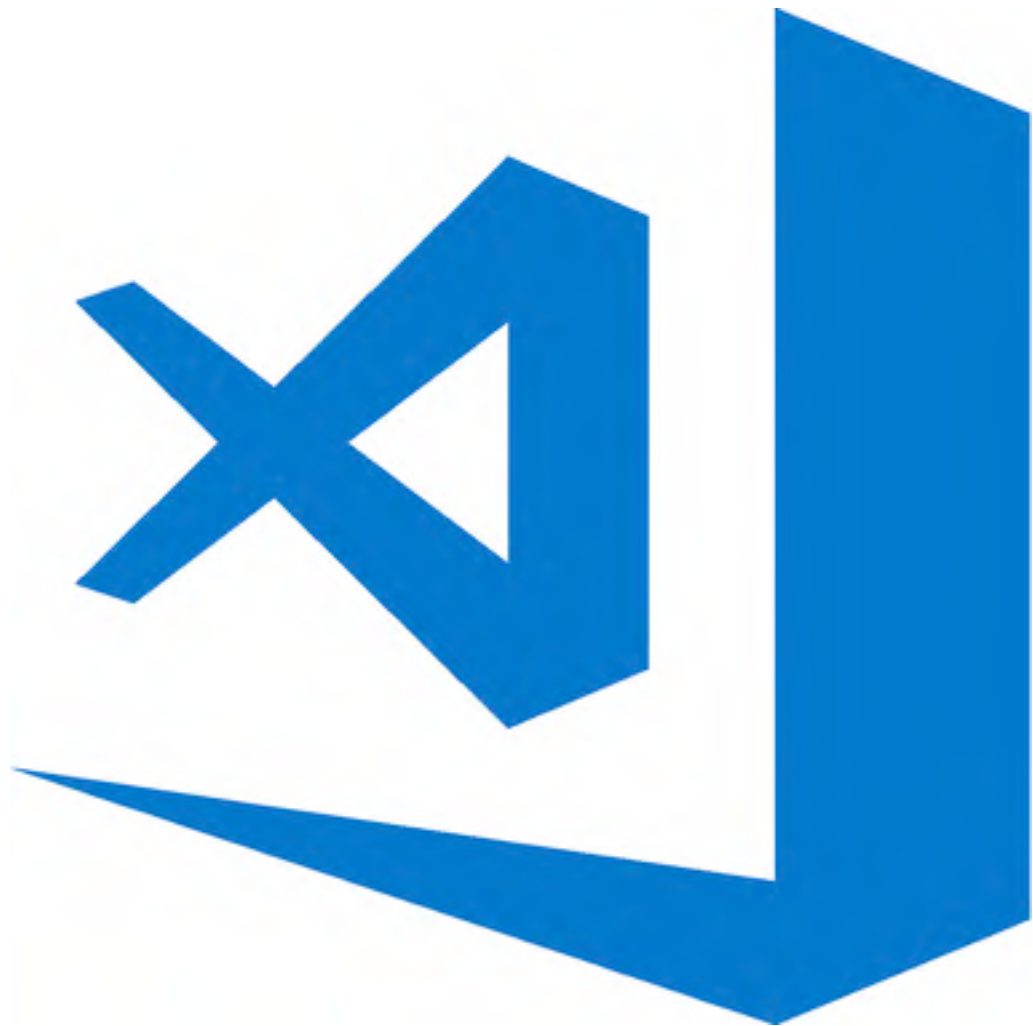

A group of people, including a woman in a grey hoodie and a woman in a teal shirt, are shown from the chest down, stacking their hands in a circle on a grassy field. They are wearing athletic gear with red accents on the sleeves. The background is a blurred outdoor setting with trees and a clear sky.

Building Healthy Communities

Reimagine

Everyone
can play

Code Stability

A photograph of a wooden fence in a field, with the text "Overcoming Obstacles" overlaid in white. The fence is made of weathered wooden planks and a post, and the field is filled with dry grass. The background shows a hazy landscape under a dark sky.

Overcoming Obstacles

Internal skepticism

It will take too long.

We'll build a better product
alone.

We need more control.

Let's wait and see.

How will we make money?

External skepticism

What is Microsoft's angle?

Can we trust Microsoft?

A group of people in a meeting room. A man in a checkered shirt is shaking hands with a woman in a grey top. Other people are seated around a table with laptops, papers, and a coffee cup. The scene is brightly lit and professional.

Meeting...

A close-up photograph of a black pencil with a sharpened wooden tip, resting on a technical drawing or blueprint. The drawing features a grid of lines and some faint text, including the letters 'D24' in the lower right corner. The word 'Planning...' is written in a clean, white, sans-serif font across the center of the image, partially overlapping the pencil and the drawing. The background is slightly blurred, emphasizing the pencil and the text.

Planning...

A yellow telehandler is positioned in the foreground, its long boom extended upwards towards the upper levels of a building under construction. The building features a mix of materials: a grey stone base, green sheetrock on the middle floors, and exposed wooden framing on the top levels. The scene is set outdoors with some trees visible on the right side. The overall atmosphere is one of active construction.

Building...

An aerial photograph of a village during autumn. The houses are mostly white with dark timber framing. Some roofs have solar panels. The surrounding landscape is green and yellow, with a hillside in the background. The sky is blue with some clouds.
